

Centre for Human Rights Advanced Human Rights Course Judicial Enforcement of Socio- Economic Rights in Africa

The Centre for Human Rights, University of Pretoria, will host a 5-day intensive short course on the Judicial Enforcement of Socio-Economic Rights in Africa from 17 to 21 May 2021.

The aim of the course on the judicial enforcement of socio-economic rights in Africa is to provide participants with a critical understanding of the possibilities of and problems associated with judicial enforcement of socio-economic rights in Africa.

During the one-week intensive course, training is provided to practitioners, policy-makers, scholars and students on national and international litigation of socio-economic rights.

Course Outline

Topics may include the following:

- Conceptual issues on judicial enforcement of socio-economic rights
- Judicial enforcement of socio-economic rights in South Africa
- International adjudication of socio-economic rights
- African courts and the enforcement of socio-economic rights
- Equality and socio-economic rights
- Litigation strategy and policy impact
- Litigation in a broader context: Legitimacy and effectiveness
- Latin American courts and the enforcement of socio-economic rights
- India and other comparative case law
- Non-state actors and international accountability
