

In partnership, Accountability Counsel and the
African Coalition for Corporate Accountability (ACCA)
invite you to a webinar:

The Outsized Role of the US in Fueling Harm in Africa through Finance: A Call to Action for Investor Accountability in Africa

Thursday, April 15, 2021

10AM PDT | 1PM EDT | 6PM BST | 7PM SAST | 8PM EAT

English with simultaneous French translation

This one-hour event will explore the United States' outsized role directing international financial flows into Africa, with a roadmap for public, private, and philanthropic funders and regulators for action needed to avoid and address negative impacts of these financial flows.
