Advancing Sexual and Reproductive Health and Rights in Africa

Constraints and Opportunities

Edited by Ebenezer Durojaye, Gladys Mirugi-Mukundi and Charles Ngwenya

Series: Routledge Contemporary Africa

Despite many positive developments in sexual and reproductive health in recent years, many Africans still encounter challenges, for instance in poor maternity services, living with HIV, and discrimination on the basis of age, gender, sexual orientation or identity. Covering topics such as abortion, gender identity, adolescent sexuality and homosexuality, the chapters in this book discuss the impact of culture, morality and social beliefs on the enjoyment of sexual and reproductive health and rights across the continent, particularly in relation to vulnerable and marginalized groups. This book will be of interest to researchers of sexuality, civil rights and health in Africa.
