Human Rights**
UNIVERSITY OF PRETORIA

A closed expert roundtable discussion in commemoration of Cybersecurity Awareness Month

We will explore five **thematic areas**:

- Children's Rights and Cybersecurity
- Women and Online Violence
- Disability, Accessibility and Digital Inclusion
- Intersectional Cyber Harms
- Inclusive, Rights-Based Cybersecurity Frameworks

Objective

To generate practical insights and academic contributions that support inclusive digital policy and advocacy on the continent.

Outputs

A peer-reviewed journal article and a contribution to a forthcoming edited volume under the Leveraging Technology for Change project.
