### Theme:

Reflections on women's reproductive health rights in Africa in light of the Maputo Protocol

### About the Keynote speaker

**Mrs. Ramata Oumar Sall** is a Senegalese legal expert specializing in human rights, gender issues, and the fight against gender-based violence. Committed to protecting the rights of women and vulnerable groups, she has strong experience in legal assistance, advocacy, training, and project management. She has collaborated with several national and international organizations, including UN Women, UNFPA, and UNDP, and holds leadership positions within civil society organizations. Holding Master's degrees in Defense, Peace and Security and in Human Rights, she works to promote social justice, gender equality, and human rights.
