

## **World Moot - CLARIFICATION OF FACTS**

Clarification questions submitted were thoroughly considered by the Steering Committee and it concluded that there are no further clarifications needed for purposes of pleading. With the exception of one which is clarified below. In reaching this conclusion, the Steering Committee noted that clarifications sought were either already clear in the Hypothetical Case; reasonable inference can be drawn on a particular issue; the information sought is not necessary for the purposes of pleading and/or the question asked is, in fact, a matter for the parties to argue or plead.

- 1. Paragraph 13 disparately mentions 'citizen of Perrigma' and 'citizen of UP'. Did such a concept of dual citizenship exist in UP before 2020?  
Response: Correct to "Loneamor Salvador, a firebrand environmentalist and citizen of UP"**
