

Assessing Implementation of Access to Information Legislation: The Perspectives of Access to Information Stakeholders in Malawi

The Centre for Human Rights of the University of Pretoria and Youth and Society (YAS), invites you to a webinar on the state of Access to Information (ATI) in Malawi. The webinar seeks to assess Malawi's compliance with the international human rights practices on the right of access to information and to provide a platform for stakeholders working in the ATI sector to share insights on the implementation of Malawi's Access to Information Act. The discussion will also analyse the gains, opportunities, gaps and recommendations for enhancing the access to information landscape in Malawi. The event is part of the commemoration of 10 Years of the [Model Law on Access to Information for Africa](#) that was adopted by the African Commission on Human and Peoples' Rights in 2013.
