

Virtual Report Launch

The Impact of Race and Colour on the Enjoyment of Human Rights by Persons with Albinism in South Africa

The Centre for Human Rights, Faculty of Law, University of Pretoria cordially invites you to the virtual launch of a research report on the Impact of Race and Colour on the Enjoyment of Human Rights by Persons with Albinism in South Africa. The study was conducted to provide greater insights into how race and colour-based discrimination impact persons with albinism in South Africa. The research makes important findings that are relevant for persons with albinism, their representative organisations, government departments and other stakeholders to formulate evidence-based interventions to combat race and colour-based discrimination against persons with albinism in South Africa.
